BOWIE IS ANNIVERSARY

Notes from **BOWIE IS?** with **SIMON PERSIGHETTI**

+ Sound & Vision Mix by **Adam Russell**

The concept for this mission came on the day that Bowie "lifted up a metre and stepped aside"(10/1/16). In March/16 Simon travelled to the V&A DAVID BOWIE IS exhibition in Gronigen, Nederland and recorded his responses to the world he found there. On the Anniversary of the Starman's passing ISA will host the subsequent visual performance lecture followed by a social sharing of Bowie's sounds & visions celebrating the work of Starman in the Seven Stars.

Simon Persighetti is a Doctor of Ambulant Investigations & a core member of **Wrights & Sites**. He & **Katie Etheridge** recently ran a 3-day intensive - *David Bowie, Stargazing and Performance Writing*, at Colchester Art Centre, commissioned by Live Art Development Agency.
